

## **11-5** Adding Integers

### **"The Number Line Dance"**

**Negative to the Left**  
**Positive to the Right**

**It's the Number Line Dance! (teacher)**  
**We could dance all night! (Students)**

**Well, forget the macarena, forget the funky chicken**  
**Cause we've got a new dance and a beat's that kickin'**

**Yeah the number line dance is my finest creation**  
**In every math class it's sweepin' the nation**
